

## Transcripts of Records of University of São Paulo

Dear Partner,

The University of São Paulo recently implemented electronic authenticity control to reduce the cost of printing student transcripts. As an example below:

**Código de controle de autenticidade: RCB5-Y6V3-3D3T-H52V**

A autenticidade deste documento pode ser verificada na página da Universidade de São Paulo <https://uspdigital.usp.br/webdoc>

So we count on your understanding that we will avoid forwarding school transcripts on physical paper by mail, prioritizing the digital sending via email.

The official email addresses of our international office are:

[ccintfau@usp.br](mailto:ccintfau@usp.br)

[mobilidadefau@usp.br](mailto:mobilidadefau@usp.br)

We are available for any clarification and thank you very much for your attention,
